FOREWORD

We are delighted to add this new album of simplified arrangements of hit tunes by John Brimhall to THE INTERNATIONAL LIBRARY OF PIANO MUSIC because it will fill the long-felt needs of teachers and students for easy supplementary study materials in the contemporary idiom. Skillful piano arrangements introduce the lively melodies and exciting new rhythms that are so much a part of the life of our young people.

The pervasive influence of films, records, radio and television performances, and rock festivals has broadly disseminated the new musical culture of America. These songs express the central concerns of our youth—their joys, hopes, aspirations, and anxieties. Inclusion of the lyrics further increases the appeal of the music. This collection will offer the student a wider variety of performance pieces, allowing him to play to a more diverse audience, particularly to informal teen groups, parties, and casual get-togethers.

Piano study will be much facilitated if it is based on the use of these partially assimilated elements of popular style. Early and intermediate piano students will find these songs challenging and rewarding, and advanced students will enjoy improvising and expanding upon them.

It is characteristic of today's popular music that it often favors a notation that writes out the melody exactly, but indicates the accompaniment by the use of symbols for chords (or chord

complexes), rather than by putting chords down exactly, note by note. The technique of popular-style piano playing is based on the predominant use of such chord patterns. This technique reveals a way of musical thinking which leaves room for improvisation and a certain creative freedom of rendition. The pianist is thus able to vary to some extent the music he is playing. If we go back to the days of Bach and Couperin, we find a striking similarity of approach. Then, too, much of the music was notated in an analogous manner, the bass (not the melody, as today) written out exactly, but the rest appearing merely in the form of symbols (figures). This was called the "figured bass" which, just as in popular music today, presupposed that the pianist or organist would choose the most suitable chord form and improvise, rather freely, an appropriate accompaniment. This style of notation paved the way for the art of improvisation which was highly developed in the 17th and 18th centuries. It was based on a superior command of keyboard practically extinct today, except in some similar form in popular music. This style of playing builds up musicality to a high degree.

Because *Songs of Our Time* provides both types of notation—notes written out exactly, plus chord symbols—the student will have an opportunity to perform at his own level of readiness.

By including this album with our other albums of the great piano masterworks of the past and present, we hope to encourage students to discover the rich musical heritage of all ages which is so well represented in THE INTERNATIONAL LIBRARY OF PIANO MUSIC.

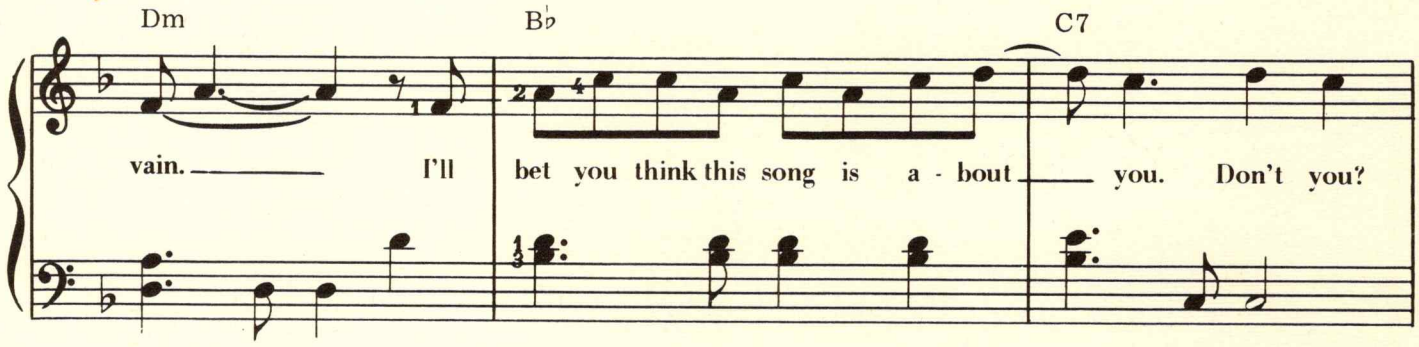
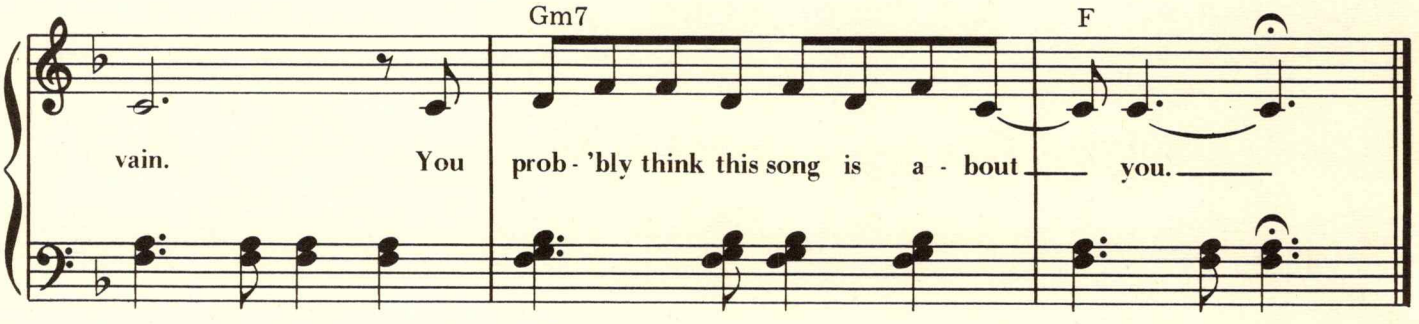
vain. You prob - 'bly think this song is a - bout you, You're so





2. You had me several years ago,
When I was still quite naive,
Well, you said that we made
Such a pretty pair,
And that you would never leave.
But you gave away the things you loved
And one of them was me,
I had some dreams
They were clouds in my coffee,
Clouds in my coffee and . . .

3. Well, I hear you went up to Saratoga,
And your horse nat'rally won,
Then you flew your Lear jet
Up to Nova Scotia
To see the total eclipse of the sun.
Well, you're where you should be all the time
And when you're not
You're with some underworld spy
Or the wife of a close friend,
Wife of a close friend and . . .

2. You can bend but never break me
'Cause it only serves to make me
More determined to achieve my final goal.
And I come back even stronger,
Not a novice any longer
'Cause you've deepened the conviction in my soul.

3. I am woman, watch me grow
See me standing toe to toe
As I spread my lovin' arms across the land.
But I'm still an embryo
With a long, long way to go
Until I make my brother understand.

FRENCH LYRIC

Verse 1.

1. Doux, doux, l'amour est doux
Douce est ma vie
Ma vie dans tes bras
Doux, doux, l'amour est doux
Douce est ma vie,
Ma vie près de toi ———
Bleu, bleu, l'amour est bleu
Berce mon coeur,
Mon coeur amoureux
Bleu, bleu, l'amour est bleu
Bleu comme le ciel
Qui joue dans tes yeux ———
Comme l'eau,
Comme l'eau qui court
Moi mon coeur
Court après ton amour.

Verse 2.

2. Gris, gris, l'amour est gris
Pleure mon coeur
Lorsque tu t'en vas
Gris, gris, le ciel est gris
Tombe la pluie
Quand tu n'es plus la ———
Le vent, le vent gemit
Pleure le vent
Lorsque tu t'en vas
Le vent, le vent maudit
Pleure mon coeur
Quand tu n'es plus là ———
Comme l'eau
Comme l'eau qui court
Moi mon coeur
Court après ton amour.

Verse 3.

3. Bleu, bleu, l'amour est bleu
Le ciel est bleu
Lorsque tu reviens
Bleu, bleu, l'amour est bleu
L'amour est bleu
Quand tu prends ma main ———
Fou, fou, l'amour est fou
Fou comme toi
Et fou comme moi
Bleu, bleu, l'amour est bleu
L'amour est bleu
Quand je suis à toi.

My in-spi-ra - tion, Guan-ta-na-mo's fair-est la - dy.
rit.

I write my rhymes with no learning
And yet with truth they are burning
But is the world waiting for them
Or will they all just ignore them?
Have I a poet's illusion,
A dream to die in seclusion?

Guantanamera, I write my rhymes to uncover
My secret feelings,
The rambling thoughts of your lover.

A little brook on a mountain
The cooling spray of a fountain
Arouse in me an emotion
More than the vast boundless ocean.
For there's a wealth beyond measure
In little things that we treasure.

Guantanamera, I care a lot for the lady
My inspiration,
Guantanamos's fairest lady.

INDEX OF FIRST LINES

Page

Alas, my love you do me wrong 144
Alone from night to night, you'll find me 70
Amazing Grace! How sweet the sound ... 116
And I wake up in the morning
with my hair down in my eyes 25
And now the end is near 54
Are you going to Scarborough Fair? 84
Around the world I've searched for you... 32
As I was walking down the street one day . 100
As time goes on I realize just
what you mean to me 82
A time for us someday there'll be 8

* * *

Before the parade passes by 168
Beneath this snowy mantle
cold and clean 102
Blue, blue, my world is blue 59
By the time I get to Phoenix she'll be risin'. 52

* * *

Cherish is the word I use to describe 64
Chestnuts roasting on an open fire 248
Chim chiminey, chim chiminey
Chim Chim Cher-ee 68
Come Saturday morning I'm going
away with my friend 56

* * *

Deck the halls with boughs of holly 250
Did he need a stronger hand? 34
Don't look so sad; I know it's over..... 148
Do you know the way to San Jose? 90

* * *

Fairy tales can come true, it can happen
to you 201
Fascination captured my heart..... 130

* * *

Galveston, Oh, Galveston 158

Page

Gonna take a sentimental journey 88
Guantanamera, I care a lot for the lady! .. 154

* * *

Hello, Dolly, well, hello, Dolly..... 192
He's got the whole world in His hands 186
Hey, look me over, lend me an ear..... 220

* * *

I am woman, hear me roar 30
I beg your pardon, I never promised
you a rose garden..... 183
If you see me walkin' down the street 204
I know I stand in line until you think
you have the time to spend an
evening with me 132
I left my heart in San Francisco..... 48
I'll walk alone because, to tell you the
truth, I'll be lonely..... 98
I look at you all see the love there that's
sleeping, while my guitar gently weeps.. 50
Isn't it a pity, now isn't it a shame..... 176
I spend the night in a chair thinkin'
she'll be there, but she never comes 211
It only takes a moment 126
It's impossible, tell the sun to
leave the sky 137

* * *

Jesus loves the little children
(Everything is beautiful)..... 104
Joy to the world, the Lord is come 251

* * *

Left a good job in the city 80
Let there be peace on earth and let it
begin with me 121
Love, look at the two of us 118

* * *

Moon over Miami, shine on my
love and me 226

INDEX OF FIRST LINES (cont.)

Page

Moon River, wider than a mile 10
My father sits at night with no lights on . . . 223
My sweet Lord, um, my Lord 46

* * *

O come all ye faithful, joyful and triumphant 252
Oh, you can kiss me on a Monday 66
O little town of Bethlehem 253
One less bell to answer 107

* * *

Please take your medicine, Dear World . . . 72
Promises, promises, I'm all through with promises, promises now! 151
Put your hand in the hand of the man who stilled the water 161

* * *

Raindrops keep fallin' on my head 218

* * *

See the tree, how big it's grown 188
Someone told me long ago there's a calm before the storm 174
Something in the way she moves 112
Speak softly love and hold me warm against your heart 146

* * *

Tall kind of people should get together with small kind of people 96
The evening breeze caressed the trees tenderly 156
The falling leaves drift by the window 28
The moment I wake up. 171
The old town looks the same as I step down from the train 140
There is a house in New Orleans 206
This time we almost made the pieces fit, didn't we girl? 86

Page

Those fingers in my hair 37
To dream the impossible dream 198
Trailer for sale or rent 20

* * *

Up on the housetop, reindeer pause 254

* * *

We'll sing in the sunshine 62
We wish you a Merry Christmas 256
What difference if I hail from North or South, or from the East or West? 178
What do you get when you fall in love 208
What is a youth? 15
What's it all about, Alfie? 4
What the world needs now is love, sweet love. 1
When I die and they lay me to rest 195
When I'm with you, It doesn't matter where we are 134
When I was seventeen, it was a very good year 114
Where do I begin to tell the story of how great a love can be 75
Where have the people gone? Seems like there's no one hangin' on 110
Who can take the sunrise, sprinkle it with dew? 22
Who's peekin' out from under a stairway? 42
Why do birds suddenly appear every time you are near? 78
Winds may blow o'er the icy sea. 18

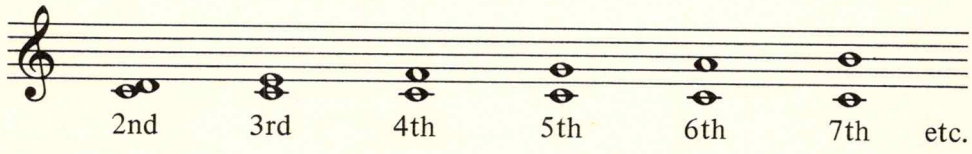
* * *

You coax the blues right out of the horn, Mame 93
You see this guy 166
You walked into the party like you were walking onto a yacht 12

INTERVALS

The distance from one note to another is called an *interval.* An interval is named for the number of scale degrees included between its lower and higher notes.

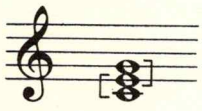
Thus:



CHORDS

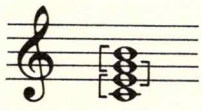
A group of three or more notes, sounding at the same time, is called a *chord.* Most chords are built by stacking intervals of thirds on top of each other.

Two Thirds



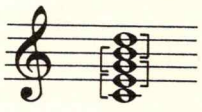
Triad

Three Thirds



Seventh chord

Four Thirds



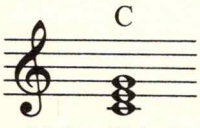
Ninth chord

There are two kinds of thirds: The *Major Third,* consisting of 4 half-steps and the *Minor Third,* consisting of 3 half-steps. Major and Minor Thirds, combined in different ways, give us:

EIGHT BASIC CHORD TYPES

This chart shows the eight basic chords as built on C. It is, of course, possible to build these chords also on any other tone of the scale.

C



Major Triad
Maj 3rd + min 3rd

Cm

minor Triad
min 3rd + Maj 3rd

C aug

Augmented Triad
Maj 3rd + Maj 3rd

C dim

diminished Triad
min 3rd + min 3rd

C7

Dominant Seventh chord
Maj 3rd + min 3rd + min 3rd

C Maj 7

Major Seventh chord
Maj 3rd + min 3rd + Maj 3rd

Cm7

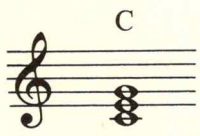
minor Seventh chord
min 3rd + Maj 3rd + min 3rd

C dim 7

diminished Seventh chord
min 3rd + min 3rd + min 3rd

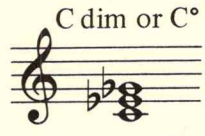
CHORDS (cont.)

Additional chords are built by adding more major or minor thirds to the basic forms.* The following list shows some of these types, all built on C.

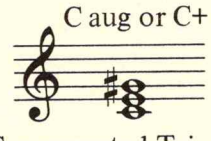


C Major Triad

C minor Triad



C diminished Triad



C augmented Triad

C Major Triad
(with added 6th)

C minor Triad
(with added 6th)

C Major Triad
(with flatted 5th)

C Seventh

C minor Seventh

C diminished Seventh

C Major Seventh

C Seventh
(with sharp 5th)

C Seventh
(with flatted 5th)

C Seventh
(with suspended 4th)

C Major Seventh
(with sharp 5th)

C minor Seventh
(with flatted 5th)

C minor
(with sharp 7th)

C Ninth

C Ninth
(with sharp 5th)

C Seventh
(with flat 9th)

Contemporary composers often use unusual, dissonant chords, obtained by combining many kinds of intervals, like 2nds, 4ths, etc.

All these chords may be notated by writing out all the notes or—as is done frequently—using letter names, called symbols, for the same chords. Chord symbols are printed above the music. They are the basis for improvising accompaniments. The examples used here show the chord written out and indicate the chord symbol above, while the full name of the chord appears below. When symbols are used it is not necessary to write out the chords.

After the symbols and chord names of the eight basic forms are learned, it will be easy to understand the general principle of this notation.
